Christiansburg Police Searching for Endangered Missing Teen; Adult Male Companion

Date: 1/28/2015

(Christiansburg, VA) – Christiansburg Police are searching for an endangered missing teenager who they believe ran away with a man after he traveled to Christiansburg from Illinois to meet her.

Aysia Monique Lewis, 16, was last seen after school around 2:45 p.m. on Monday, January 26. It is believed that Donald "Bruce" Bruce Quesenberry, Jr., 33, traveled from his home in Normal, Illinois to meet Aysia. Investigators believe Aysia willingly left with Quesenberry in a 2002 light gold Nissan Altima with Illinois license plate V975074.

Neither Aysia nor Quesenberry have been in contact with friends or family since that time.

Aysia has been classified as an endangered missing person due to her age and the circumstances surrounding her disappearance.

It is currently not known if Aysia and Quesenberry are still in the area or may be traveling.

Aysia is 5'3" and weighs approximately 160 lbs. She has brown eyes and black hair with red highlights. She was last seen wearing light blue jeans, a navy blue t-shirt, a black fleece, and brown moccasin-style shoes.

Quesenberry is currently charged with one count of contributing to the delinquency of a minor.

He is described as a white male with brown hair and brown eyes. He is 5'7" and weighs approximately195 lbs.

Aysia's parents, Brandon Lewis and Teneara Dial, would like the following message relayed to Aysia, "Aysia, we love you!! We are worried about you! We need to know that you are ok! Please come home. Call us, text us, Facebook us. Get in touch with us however you can. We will come get you no matter what, no matter where, whatever time, it doesn't matter. Unique and Eric miss you. Unique wants to know where you are and when you are coming home."

Lewis and Dial also addressed Quesenberry, asking that he "please drop Aysia off somewhere safe."

Anyone with information related to this case are asked to call Christiansburg Police at (540) 382-3131 x0.
