

Coming Soon: Monitor Water Usage Online

Utility customers will soon be able to monitor their water usage online!

Customers will be able to set limits to their water usage, monitor their account, and receive alerts if a leak is detected or usage is reaching their set limits.

To sign up, simply fill in the information below and return the Finance Department, 100 East Main Street, Christiansburg, VA 24073 or email the completed form to info@christiansburg.org.

Once this online tool is implemented, the Finance Department will register your information and customers will receive an email prompting them to complete registration.

Name: _____
