****FOR IMMEDIATE PRESS RELEASE****

Christiansburg Police Department Investigating String of Vehicle Break-Ins

Date: 7/11/2016

(Christiansburg, Va.) – The Christiansburg Police Department is urging residents to lock their vehicles and remove any valuables after several recent break-ins throughout residential areas in town.

The individual or individuals responsible have been stealing money and other items of value from inside vehicles – often breaking windows in order to do so. The number of vehicle break-ins has increased in recent weeks, with several occurring this past weekend.

No specific area appears to be targeted, as break-ins have occurred in several neighborhoods across town. As always, the Christiansburg Police Department wants to emphasize the importance of locking vehicles, removing valuables and ensuring nothing of importance is left in plain sight when the vehicle is unattended.

The break-ins are under investigation, and anyone with information is being asked to call the Christiansburg Police Department Crime Line at (540) 382-4084.
