<u>2" Badger Meter</u> – Model RCDL 170 2 ½ - 170 GPM normal flow limit 100 GPM recommended maximum continuous flow 170 GPM maximum safe operating capacity 8.6 PSI maximum pressure loss @ 160 GPM	\$6810
<u>3" Badger Recordall Compound Meter</u> – Model RC-T-3 ½ - 350 GPM normal flow unit 350 GPM recommended maximum continuous flow 450 GPM maximum safe operating capacity 9.3 PSI maximum pressure loss @ 450 GPM	call for price
<u>4" Badger Recordall Compound Meter</u> – Model RC-T-4 ¾ - 1000 GPM normal flow limit 1000 GPM recommended maximum continuous flow 1250 GPM maximum safe operating capacity 10.0 PSI maximum pressure loss @ 450 GPM	call for price
<u>6" Badger Recordall Compound Meter</u> – Model RC-T-6 ¾ - 1000 GPM normal flow limit 1000 GPM recommended maximum continuous flow 1250 GPM maximum safe operating capacity 11.5 PSI maximum pressure loss @ 1250 GPM	call for price

WATER CONNECTION FEES, CONT.

Meters outside Town of Christiansburg

- Property owner pays actual cost of materials and installation plus an administrative charge equal to 20 percent of cost or a minimum fee of \$4500.00, whichever is greater

Additional Connections

- If a property owner desires more than one water connection to serve a particular property or structure, each water connection will be at the regular established connection charge.
- Where the service line already provided to serve a particular property or structure need to be changed, thereby requiring the construction of additional service lines, the charges for any additional service line will be made at actual cost to the property owner rather than the established charges for such connections.

Taps

- All fees subject to price verification
- Price does not include paving costs. Owner will be billed separate for paving.

SANITARY SEWER CONNECTION FEES

ALL FEES AND CHARGES FOR SEWER CONNECTIONS SHALL BE PAID IN FULL BEFORE ANY PERMIT IS GRANTED AND BEFORE ANY SEWER CONNECTION IS MADE TO THE TOWN'S SEWER SYSTEM.

Connection Fee Inside Town of Christiansburg, Sewer within 40 feet or less of property

- Collector sewer installed by the Town on or before September 6, 1966 - \$3000 per connection.
- Collector sewer installed by the Town after September 6, 1966 - \$3000 per connection plus \$5.00 per linear foot of the width of the lot frontage of the structure to be connected.

Connection Fee Inside Town of Christiansburg, Sewer greater than 40 feet from property

- Same as above plus actual cost of materials and installation of the lateral beyond 40 feet.

Connection Fee Outside Town of Christiansburg

- Property owner pays actual cost of materials and installation plus administrative charge equal to 20 percent of cost or a minimum fee of \$4500.00, whichever is greater.

Additional Connections

- If a property owner desires more than one sewer connection to serve a particular property or structure, each additional connection will be at the regular established connection charge (\$3000.00), not to include a front footage charge.
- Where laterals already provided to serve a particular property or structure need to be changed, thereby requiring the construction of additional laterals, the charges for any additional sewer lateral will be made at actual cost to the property owner rather than the established charges for such connections.

MH Core (only by permission from Director).....\$500.00
