- Fins Summer Camp is still going strong! We have completed six weeks of camp and have 3 more to go. The campers particularly enjoyed “Our Town” week where they were able to meet distinguished public figures like Police Chief Sisson and Mayor Barber. The campers also listened to presentations from Christiansburg public works, fire department, and rescue squad.
- The popularity of our 95 degree therapy pool has spread to the evening! This summer the Christiansburg Aquatic Center is proudly offering an evening Warm Water Workout class. The class meets on Mondays and Wednesdays at 6:30pm and Fridays at 6pm.
- Our new high intensity class, Aqua Kickboxing, also launched in June! Participants sought to increase their agility, strength and endurance by kicking, punching and jabbing in the leisure pool. Aqua Kickboxing will continue through July 27th.
